**FEAST OF FAITH  
TREASURES FROM OUR TRADITION**

The story of Job seems at first hearing to be an extension of February's gloom into the liturgy. The monumental suffering of a good man is so horrific that the laments of the front page of modern newspapers barely measure up. The whole story is not long to tell, but its resolution is of great comfort. We can trace in its plot the stirrings of a belief in an afterlife, and in God's great power to right every wrong and raise human beings from suffering.

In the Gospel, we see the fulfillment of these longings in the hand of Jesus, grasping an ill woman by the hand and raising her up to vibrant life. Peter's mother-in-law becomes her best self, attentive to her guests, providing hospitality, the warmth of her laughter, the delights of her kitchen. Last week, at Candlemas, candles were blessed, including baptismal candles for some not yet born. Today is a day to check the fragile flame of your baptismal candle. Against February's customary lethargy, its background whines and ailments, the liturgy summons us to life, grasps us by the hand, and sends us to serve in Christ's name.

## **ADULT FAITH FORMATION**

As disciples of Christ, it is important for our relationship with God that we take time to read and meditate on the Scriptures and to contemplate the mysteries of our faith. We need to sharpen our minds and strengthen our relationship with Christ and his Church through prayer and study. To that end, The Diocesan Office of Religious Education has developed a comprehensive program for Adult Faith Formation which includes both online and classroom courses. The courses are enriching and convenient. They range from four to six weeks in duration; participants read and respond to questions presented by the insightful instructors and post their responses online.
