

April 22, 2020 – Parish Update

Dear Parishioners,

These have been very trying and difficult times for all of us, both personally and financially, and yet we have been able to "keep the lights on" in the parish. Denise and I, along with Craig, who supervises the maintenance of our property, have been in the office Monday - Thursday each week. Other staff have been working remotely.

Thanks to your generosity through your weekly contributions, although we are experiencing a slight shortfall in revenues, we have been able to maintain all our staff on payroll. We have also applied for the federal Paycheck Protection Program. This will assist us in securing our finances. "This too will pass" and hopefully we will find ourselves in a secure position once all this is over.

The construction of the new rectory is also on schedule and should be completed by early June. At this point it is "on budget".

Thank you, again, for your continued faithfulness and generosity to our parish. Although it doesn't replace our gathering as one at the Lord's table, we are able to remain connected to one another through the live streaming of Sunday Mass, thanks to Deacon Paul and his team of parishioners.

Happy Easter and God Bless!
Father Joe
